CONTRACT RIDER
SAMI DARE - STAGE HYPNOTIST

<u>IN ORDER TO PROVIDE YOU WITH THE BEST POSSIBLE PERFORMANCE,</u>
<u>WE PROVIDE THE FOLLOWING RIDER AS AN ATTACHED AGREEMENT TO THE CONTRACT.</u>

This program is easily adaptable to virtually any conditions. For best results we suggest these guidelines

- Each situation is unique, so in most cases Artist will arrive early enough to help arrange performing area.
- If there is a problem with any of these items, please contact **GL Berg Entertainment, 612-361-6002.**

1. **STAGE** - Clear visibility. Try to avoid having audience and show on same level. If risers are needed: 16' long and 8' deep is minimum size requirement. Ideal size is 20' long and 16' deep.

2. **SOUND** – One wireless handheld microphone, please. **Volume level maximum**. Sami must be heard over very loud audience reaction. If there is a sound engineer controlling the sound for your event, Sami will need two XLR inputs; one is for the wireless (preferred) handheld that is to be provided, the other for an mp3 player. Both will be patched into the main or house system.

   (Sami can provide, on request, microphone and a small sound system sufficient to cover most venues)

3. **LIGHT** - As much light as possible on entire performance area. Audience may be dimmed.

4. **PROPS** - Approximately 10-20 chairs with backs (depending on size and make-up of audience), in one row facing audience. One small table, center stage behind row of chairs.

5. **VIDEOTAPING** - Home use only, any/all footage to artist on request. Commercial sale of show without permission is illegal. *Do not show videotapes of show to subjects on the same night*. Performer assumes no responsibility for misuse of hypnosis videotapes. Fees may be assigned for breach of above.

6. **IF ROOM IS PROVIDED** - Reserve a single non-smoking room (under the name Sami Dare) as close to the show site as possible.

7. **EMERGENCY** - Please provide a home phone number or emergency number that can be called if needed (snowstorm, illness, accident, etc.) during non-business hours: _____
